

# HOW OPTILINK HELPED HIM LAND THE BIG ONE.

FIBER OPTICS

*speed + reliability*

When Dave heard he could get cable TV, a 1.5 Mb internet connection and a local and long-distance telephone package for less than \$75 each month, he thought it sounded pretty fishy. But then he did the math and made the switch to OptiLink. So what did he do with all of his savings? Well we've heard he made some *ree/* investments — and is showing one of them off right above his fireplace.
